Experience

Senior Administrative Manager / Executive Assistant

Maviro – Denver, CO | July 2012 – Present

- Partnered with VP and senior leadership to streamline calendars and inboxes, increasing available executive time by 25% for strategic initiatives.
- Coordinated 60+ complex international and domestic trips each year, maintaining seamless travel even during last-minute changes.
- Designed and delivered board-ready agendas, minutes, and executive briefings that improved clarity and follow-through across leadership.
- Introduced AI-powered workflows and updated systems that reduced administrative task time by 30% while raising accuracy and responsiveness.
- Oversaw payroll, expense reporting, and vendor contracts with 100% accuracy for more than a decade.
- Developed SOPs and trained administrative staff, boosting team productivity by 20% and creating a culture of consistency.
- Built trusted cross-department relationships, reducing communication gaps and accelerating project delivery.

Executive Assistant to the President

Twilight Inc – Los Angeles, CA | June 2007 – June 2012

- Supported the President during a high-growth phase by aligning priorities and schedules to keep leadership focused.
- Coordinated investor briefings, board meetings, and leadership events with materials praised for clarity and impact.
- Introduced new systems and templates that reduced approval times and eased communication bottlenecks.
- Managed confidential communications and legal records with discretion, protecting sensitive information.
- Built strong relationships as a trusted contact for investors, executives, and internal teams.
- Assisted with hiring and onboarding during rapid growth, ensuring smooth transitions and faster integration.
